

# Girl in the Mirror

Bebe Rexha

[Verse 1]

I'm tired of my thoughts  
They weigh me down, feels like I'm drowning  
I'm tired of my flaws  
They feel me with anxiety and doubt

[Pre-Chorus]

Honestly, I'm done with hating pictures of myself  
And trying to be like everybody else

[Chorus]

I wanna be like, look like the girl in the mirror  
Wanna act like, dance like no one's watching her  
I could try to be just like you  
But I wanna be like me, the girl in the mirror

[Post-Chorus]

The girl in the mirror  
The girl in the mirror

[Verse 2]

I'm sick of the likes and followers everyone's counting  
I'm sick of the lies, smiling, but I'm crying inside

[Pre-Chorus]

Honestly, I'm done with hating pictures of myself  
And trying to be like everybody else

[Chorus]

I wanna be like, look like the girl in the mirror  
Wanna act like, dance like no one's watching her  
I could try to be just like you  
But I wanna be like me, the girl in the mirror

[Post-Chorus]

The girl in the mirror  
The girl in the mirror

[Bridge]

Wanna wake up, no make-up

And still think I'm beautiful  
Wanna smile like I mean it  
And finally be comfortable with me  
Finally be comfortable with me, oh

[Chorus]

I wanna be like, look like the girl in the mirror  
Wanna act like, dance like no one's watching her  
I could try to be just like you  
But I wanna be like me, the girl in the mirror

[Post-Chorus]

The girl in the mirror  
The girl in the mirror  
Girl in the mirror  
The girl in the mirror
