

# Simple Pages

## Weezer

### [Verse 1]

Give me some love, give me some love  
Give me some, I want you to know  
Give me some love, give me some love  
Sugar, that's the wrong, wrong way to go  
Open your arms, open your arms  
Honey, you come right back home to me  
Give me some love, give me some love  
Sugar, that's the wrong, wrong way to be

### [Chorus]

Can't you see?  
We're to be this time  
Simple pages on my mind

### [Verse 2]

Kick it on back, kick it on back  
Kick it on back to what you know  
Give me some love, give me some love  
Sugar on the hard rock radio  
Where they play tunes, where they play tunes  
Where they play riffs with the hard rock beat  
Give me some love, give me some love, sugar  
From the drop with the old school meet

### [Chorus]

Can't you see?  
We're to be this time  
Simple pages on my mind

### [Bridge]

Give me something I can believe, oh baby

### [Chorus]

Can't you see?  
We're to be this time  
Simple pages on my mind

### [Outro]

Kick it on back, kick it on back

Kick it on back to what you know  
Give me some love, give me some love  
Sugar on the hard rock radio  
So give me some love, give me some love  
(Give me some love, give me some love  
Give me some, I want you to know)  
Give me some love, give me some love  
(Give me some love, give me some love  
Sugar on the hard rock radio)  
Give me some  
(Give me some love, give me some love  
Give me some, I want you to know)  
Can't you see?  
You're just me  
(Give me some love, give me some love  
Sugar, that's the wrong, wrong way to go)  
Turn these pages of my mind, oh, oh  
(Give me some love, give me some love  
Give me some, I want you to know)  
Give me some love, give me some love  
Sugar, that's the wrong, wrong way to go
