

# Big Green Tractor

Jason Aldean

[Verse 1]

She had a shiny little Beamer with the ragtop down  
Sittin' in the drive but she wouldn't get out  
The dogs were all barkin' and a-waggin' around  
And I just laughed and said "Y'all get in"

[Verse 2]

She had on a new dress and she'd curled her hair  
She was lookin' too good not to go somewhere  
Said what you want to do, baby, I don't care  
We can go to the show, or we can stay right here

[Chorus]

And I can take you for a ride on my big green tractor  
We can go slow or make it go faster  
Down through the woods and out to the pasture  
Long as I'm with you it really don't matter  
Climb up in my lap and drive if you want to  
Girl, you know you got me to hold on to  
We can go to town but baby, if you'd rather  
I'll take you for a ride on my big green tractor

[Verse 3]

Said we can fire it up and I can show you around  
Sit up on the hill and watch the sun go down  
When the fireflies are dancin' and the moon comes out  
We can turn on the lights and head back to the house

[Chorus]

Or we can take another ride on my big green tractor  
We can go slow or make it go faster  
Down through the woods and out to the pasture  
Long as I'm with you it really don't matter  
Climb up in my lap and drive if you want to  
Girl you know you got me to hold on to  
We can go to town but, baby, if you'd rather  
I'll take you for a ride on my big green tractor

[Bridge]

Just let me dust off the seat

Put your pretty little arms around me, hell yeah

[Guitar Solo]

[Chorus]

You can climb up in my lap and drive if you want to  
Girl you know you got me to hold on to  
We can go to town or baby if you'd rather  
I'll take you for a ride on my big green tractor

[Outro]

Oh, yeah  
We can go to town  
Or we can go another round  
On my big green tractor
