

# Stay Stay Stay

Taylor Swift

I'm pretty sure we almost broke up last night  
I threw my phone across the room at you  
I was expecting some dramatic turn-away  
But you stayed This morning I said we should talk about it  
'Cause I read you should never leave a fight unresolved  
That's when you came in wearing a football helmet  
And said: "Okay, let's talk". And I said Stay, stay, stay  
I've been lovin' you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay Before you, I'd only dated self-indulgent takers  
That took all of their problems out on me  
But you carry my groceries, and now I'm always laughin'  
And I love you because you have given me no choice but to  
Stay, stay, stay  
I've been lovin' you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay, stay, stay, stay You took the time to memorize me  
My fears, my hopes, and dreams  
I just like hangin' out with you, all the time All those times that you didn't leave  
It's been occurring to me  
I'd like to hang out with you, for my whole life Stay, and I'll be loving you for quite some time  
No one else is going to love me when I get mad, mad, mad  
So I think that it's best if we both stay, stay, stay, stay, stay, stay Stay, stay, stay  
I've been lovin' you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay, stay, stay, stay, stay, stay  
Stay, stay, stay  
I've been lovin' you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay
