

# I'll Follow You

## Shinedown

[Verse 1]

If I could find assurance to leave you behind  
I know my better half would fade  
And all my doubt is a staircase for you  
Up and out of this maze

[Pre-Chorus]

The first step is the one you believe in  
The second one might be profound

[Chorus]

I'll follow you down through the eye of the storm  
Don't worry I'll keep you warm  
I'll follow you down while we're passing through space  
I don't care if we fall from grace  
I'll follow you down

[Verse 2]

You can have the money and the world, the angels and the pearls  
Even trademark the color blue  
Just like the tower we never built, in the shadow of all the guilt  
When the other hand was pointed at you

[Pre-Chorus]

Yeah the first step is the one you believe in  
And the second one might be profound

[Chorus]

I'll follow you down through the eye of the storm  
Don't worry I'll keep you warm  
I'll follow you down while we're passing through space  
I don't care if we fall from grace  
I'll follow you

[Bridge]

Down to where forever lies, without a doubt I'm on your side  
There's nowhere else that I would rather be  
I'm not about to compromise, give you up to say goodbye  
I'll guide you through the deep

I'll keep you close to me

[Chorus]

I'll follow you down through the eye of the storm  
Don't worry I'll keep you warm  
I'll follow you down while we're passing through space  
I don't care if we fall from grace  
I'll follow you

[Outro]

If I could find assurance to leave you behind  
I know my better half would fade  
I'll follow you down
