

Red Dirt, Blue Eyes

Dustin Lynch

[Verse 1]

I don't know about you
But I need a little getaway
I bet you're feeling it, too
Girl, it's written all over your face
Let's go somewhere where corn grows tall
Down a road that ain't got no name
Let's dust off a bottle on the bank by the river
Come on, baby, I can't wait[Chorus]
To get you on some red dirt
And get lost in your blue eyes
I wanna see your little sun tan
Lit up in the moonlight
Gonna dance you in the midnight sky
And kiss you 'bout a thousand times
Gotta get you on some red dirt
And get lost in your blue eyes

[Verse 2]

Something 'bout out there
That's just good for you small town soul
Funny how you seem to care
A little less the further you go
I can see your little t-shirt laying on the bank
You're smiling and sliding in
Body to body, our little party
Water dripping off your skin[Chorus]
Gotta get you on some red dirt
And get lost in your blue eyes
I wanna see your little sun tan
Lit up in the moonlight
Gonna dance you in the midnight sky
And kiss you 'bout a thousand times
Gotta get you on some red dirt
And get lost in your blue eyes

[Bridge]

Oh baby, we could leave right now
Let's go, let's ditch this town[Chorus]
Gotta get you on some red dirt
And get lost in your blue eyes
I wanna see your little sun tan
Lit up in the moonlight
Gonna dance you in the midnight sky

And kiss you 'bout a thousand times
Gotta get you on some red dirt
And get lost in your blue eyes
Get you on some red dirt
And get lost in your blue eyes[Outro]
Come on, baby
Come on, baby
