

# Warriors

## Imagine Dragons

As a child, you would wait  
and watch from far away But you always knew that you'll be  
the one that work while they all play And you, you lay, awake at night and scheme  
of all the things you that would change  
but it was just a dream! Here we are, don't turn away now  
we are the warriors that built this town  
Here we are, don't turn away now  
we are the warriors that built this town The time will come, when you'll have to rise  
above the best, improve yourself,  
your spirit never dies! Farewell, I've gone, to take my throne  
above, don't weep for me because  
this will be the labor of my love Here we are, don't turn away now,  
we are the warriors that built this town Here we are, don't turn away now,  
we are the warriors that built this town  
Here we are, don't turn away now,  
we are the warriors that built this town Here we are, don't turn away now,  
we are the warriors that built this town
