

# Jamie

## Weezer

### [Verse 1]

Jamie, what you doin' now?  
What you doin' now girl?  
Please, please tell me  
'Cause I need to know, I need to know now

### [Pre-Chorus]

When I was down, you came to me  
And promised you'd always be  
By my side, now you're gone  
And I'm waiting patiently  
Jamie, I want you to know

### [Chorus]

Jamie, Jamie, I'm so glad you're mine  
We'll be together a long time

### [Verse 2]

Jamie, what you doin' now?  
Who's dialin' your car phone?  
Please, please be true  
You know that I trust you, do that which you must do

### [Pre-Chorus]

When I was down, you came to me  
And promised you'd always be  
By my side, now you're gone  
And I'm waiting patiently  
Jamie, I want you to know

### [Chorus]

Jamie, Jamie, I'm so glad you're mine  
We'll be together a long time  
You've got the Beach Boys, your firm's got the Stones  
But I know you won't leave me alone

### [Bridge]

Sometimes it seems you're not with me  
It hurts me so much, it hurts me so much  
Sometimes it seems you're not with me

It hurts me so much, it hurts me so much

[Verse 3]

You are the most, you're so rad, you're so fresh

And I'm so glad

I am yours, you are mine

Show me where and I will sign

When I was down, you came to me

And promised you'd always be

By my side, now you're gone

And I'm waiting, waiting

[Chorus]

Jamie, oh, Jamie, I'm so glad you're mine

We'll be together a long time

Jamie, believe me, I won't let you down

'Cause you are the best lawyer in town

[Outro]

Sometimes it seems you're not with me

It hurts me so much, it hurts me so much

Sometimes it seems you're not with me

It hurts me so much, it hurts me so much

I love you so much, I love you so much
