

# 24 Hours (feat. Yasmin Green)

## Clean Bandit

[Verse 1]

24 hours ago

I was just sitting home, me and my phone

Got a text from my friend

Telling me come out to this party

Told myself what the hell, ordered a car

Pulled up, walked in straight to the bar

Ordered a shot, ordered one more

Looked to my left and there you were[Chorus]

24 hours ago

Baby I didn't know that I can't live without you

I wasn't looking for this

Never thought that one kiss, could change all that I know

24 hours ago

[Verse 2]

I don't know why you said hi

Wishing I didn't say I'm doing fine

How are you, what's your name

Where you from, what are you drinking

Yeah I don't know where the time went

Going and going we started at 10

But in my defence, they played Prince

Lost control and I just leaned in[Chorus]

24 hours ago

Baby I didn't know that I can't live without you

I wasn't looking for this

Never thought that one kiss, could change all that I know

24 hours ago

[Bridge]

24 hours ago, I didn't know you

24 hours ago, I didn't need you

24 hours ago, ooh woah, ooh woah

24 hours ago, I never kissed you

24 hours ago, I didn't miss you

24 hours ago, ooh woah, ooh woah[Chorus]

24 hours ago

Baby I didn't know that I can't live without you

I wasn't looking for this

Never thought that one kiss, could change all that I know

24 hours ago
