

# Rock n Roll Radio

## Skegss

[Verse 1]

Rock 'n' roll radio  
Blastin' on the stereo  
Sip some wine, toke a smoke  
Find somewhere fun to go  
Two-for-one at the bottle-o  
Have a molly to make sure  
Drive around this same old town  
Searchin' for somethin' more  
Coffee shot to shoot back up  
No more glasses, plastic cups  
Go home when you're feelin' fucked  
Or just get even more fucked up  
Piece of pizza or you wipeout  
Grab a kebab with the taxi cab  
Ride your bike or hitch a ride  
Make it home like every other time, oh

[Chorus]

Radio girl  
Play your song to me  
I see you rockin' and a-rollin' and a-reelin'  
When you're wheelin' on down the street  
Radio girl  
Play your song to me  
I see you rockin' and a-rollin' and a-reelin'  
When you're wheelin' on down the street

[Verse 2]

Find somewhere fun to go  
Two-for-one at the bottle-o

Make it home like every other time, oh

When you're wheelin' on down the street  
  
[Outro]  
Rock 'n' roll
