

# Send Them Off!

## Bastille

It was a slight on my honor, so he deserved it  
But we're talking about the most brilliant mind this world has ever seen I've got demons running  
round in my head

And they feed on insecurities I have  
Won't you lay your healing hands on my chest?  
Let your ritual clean Soak the ropes with your holy water  
Tie me down as you read out the words Set me free from my jealousy

Won't you exorcise my mind?

Won't you exorcise my mind?

I want to be free as I'll ever be

Exorcise my mind

Help me exorcise my mind

Desdemona, won't you liberate me?

When I'm haunted by your ancient history

Close these green eyes and watch over as I sleep

Through my darkest of dreams Be the power to compel me

Hold me closer than anyone before Set me free from my jealousy

Won't you exorcise my mind?

Won't you exorcise my mind?

I want to be free as I'll ever be

Exorcise my mind

Help me exorcise my mind I should be thinking 'bout nothing else

when I'm with you-ou

With you-ou, ohohoh

I should be thinking 'bout nothing else

when I'm with you-ou

With you-ou, ohohoh

Your mind exists somewhere altogether different

It lives in a world where feelings simply cannot be defined by words Oh, set me free from my  
jealousy

Won't you exorcise my mind?

Won't you exorcise my mind?

I want to be free as I'll ever be

Exorcise my mind

Help me exorcise my mind Help me exorcise my mind

Won't you exorcise my mind?
