

Close Your Eyes

Meghan Trainor

Everybody is on the same page
No new chapters
We'll never change
Everybody wants to be cool
Yes they do
I'm just like them
But I won't be no fool
I guess I could waste all my time and my money
Just trying to look right
But it doesn't change who I am in my heart if I look like them
So I want you to close your eyes
Sing to the world tonight
And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyes
Show them what's beautiful
Gonna' show them...
Show them what's beautiful
Show them what's beautiful
Everybody is born to be different
That's the one thing that makes us the same
So don't let you them hurt try to change you
make you into something you ain't
No
So I want you to close your eyes
Sing to the world tonight
And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyes
Show them what's beautiful
Show the world the you inside
Raise your voice and close your eyes
Cause you're beautiful
Come on and show the world the you inside
Raise your voice and close your eyes
Cause you're beautiful
So I want you to close your eyes
Sing to the world tonight

And show them what's beautiful
I don't care what they think
No I'm not listening
Cause I know I'm beautiful
So close your eyes
