

Green River

Creedence Clearwater Revival

[Verse 1]

Well, take me back down where cool water flow, ya
Let me remember things I love, ah
Stoppin' at the log where catfish bite
Walkin' along the river road at night
Barefoot girls dancin' in the moonlight

[Verse 2]

I can hear the bull frog callin' me, oh
Wonder if my rope's still hangin' to the tree
Love to kick my feet way down the shallow water
Shoo fly, dragon fly, get back to your mother
Pick up a flat rock, skip it across Green River
Well

[Guitar Solo]

[Verse 3]

Up at Cody's camp I spent my days, Lord
With flat car riders and cross-tie walkers
Old Cody Junior took me over
Said "You're gonna find the world is smolderin'
And if you get lost, come on home to Green River"
Well
Come on home
