

Miles

Christina Perri

I'm scared today
More than I told you I was yesterday
Give me a moment to catch my breath
And hold me every second left Proud of me
That's the only way I want you to be
Look at me and love
What you see I won't make it alone
I need something to hold Kiss me on my shoulder
Tell me it's not over
I promised to always come
Home to you
Remind me that I'm older
To be brave smart, sweet and bolder
And don't give up
On what we're trying to do Don't count the miles
Count the 'I love you's' We made it out
And all the other people are asking how
This doesn't even sound like truth
To grow from a bruise But one day we will realize
How hard it was, how hard we tried
And how our hearts made it out alive Kiss me on my shoulder
Tell me it's not over
I promise to always come
Home to you
Remind me that I'm older
To be brave, smart, sweet and bolder
And don't give up
On what we're trying to do Don't count the miles
Count the 'I love you's' And these are words I wish you'd said
But that's not how it went
'Cause you gave up on us in the end And I won't make it alone
I need something to hold Kiss me on my shoulder
Tell me it's not over
I promise to always come
Home to you Remind me that I'm older
To be brave, smart, sweet and bolder
And don't give up
On what we're trying to do
Kiss me on my shoulder
Tell me it's not over
I promise to come
Home to you

Remind me that I'm older
To be brave, smart, sweet and bolder
And don't give up
On what we're trying to do
Don't count the miles
Count the 'I love you's'
