

# A+E (feat. Kandaka Moore & Nikki Cislyn)

## Clean Bandit

I'm a snake, I'm a tricky little freak, I'm a killer you won't see me as I  
Slither down the street I make noise and I'm poised like a train as you  
Please, I make heat when I tweet I am the real McCoy,  
All the lies that you say to me, better pray for me, better kill me or pay  
For me, gotta get what you want, get what you want,  
And all those things that I see you do, they make me breathe for you, I  
Better kiss you or kill you too, gotta get what you want, get what you want  
Da da da da da, da, da da da, da da da, da da da da da da x 2  
I'm a, I'm a, I'm a, I'm a  
I'm a come for you, I'm a predator, predator  
Gona make you right, gona edit ya, edit ya  
So now you sit and you watch tv, it's mostly channel 3 cause we don't pay  
Our licence fee, gotta get what you want, get what you want, get what you want  
Want  
So many things that you said we'd do, if only that were true, it seems your  
Great plan has fallen through  
Violin  
Hey, mmm, yeah, yeah,  
Violin  
Da da da da da, da, da da da, da da da, da da da da da da da x 2  
In the beginning the light shone bright with possibilities, it's still  
Shining cause it runs on electricity, so don't stop dreaming of the man  
That you could be, just give me a hand my friend be cool be strong and come  
With me
