

Feel Something

Illenium, Excision & I Prevail

I don't pray to God but I did today
Just to take a minute of the pain away
'Cause I'm scared that I believe in nothin'
Am I on my own?
I don't wanna break but I did today
Guess I only have myself to blame
Should I just let go?
I'm afraid to let go I'd do anything, anything
Just to feel something
Just to feel something
Yeah, I'd give everything, everything
Just to feel something
Just to feel something
(Oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh)
(Feel something)
(Oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh) Just let me feel something
I just wanna feel
Feel something
I just wanna feel
I just wanna feel
I just wanna feel
Feel something
I just wanna feel
Yeah, I just wanna feel
I just wanna feel
Feel something
Wanna feel something Wanna feel something
(Oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh)
(Feel something)
(Oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh)
Wanna feel something (Oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh)
Just let me feel something

(Oh, oh, oh, oh, oh, oh)
(Oh, oh, oh, oh)
(Oh, oh, oh, oh, oh, oh)
Feel something
