

Can't Heal You

Five Finger Death Punch

[Intro]

[Verse 1]

The deeper you get, the farther you fall down
The closer I get, the more you dissolve

[Bridge]

You're lost inside, your pale addictions
Bury you, with the demons in the ash

[Chorus]

Can't heal you, don't want to
Because you can't save your-fucking-self
Can't heal you, don't need to
Because you won't save yourself

[Verse 2]

You are the one who made the decision
Stuck in a prison, shattered and broken
I am the one who, expected to heal you, save you from Drowning in your endless nightmare
Blessed be, the disillusioned
The banished misfit and the cursed hollow son

[Chorus]

Can't heal you, don't want to
Because you can't save your-fucking-self
Can't heal you, don't need to
Because you won't save yourself

[Bridge]

We're taught to perish but fade away
Become the haunted and die as slaves

[Chorus]

Can't heal you, don't want to
Because you can't save your-fucking-self
Can't heal you, don't need to
Because you won't save yourself

[Outro]

Can't heal you, don't want to
Because you can't save your-fucking-self
Can't heal you, don't need to
Because you won't save yourself
