

# Up with the Birds

## Coldplay

The birds they sang, at break of day  
"Start again", I hear them say  
It's so hard to just walk away  
The birds they sang, all a choir  
"Start again a little higher"  
It's a spark in a sea of grey  
The sky is blue  
Dreamed out loud 'til it's true  
Then takin' back the punch I threw  
My arms turn wings  
Oh, those clumsy things  
Send me up to that wonderful world  
And then I'm up with the birds  
Might have to go  
Where they don't know my name  
Float all over the world  
Just to see her again  
And I won't show or fear any pain  
Even though all my armour  
Might rust in the rain  
A simple plot but I know one day  
Good things are coming our way  
A simple plot but I know one day  
Good things are coming our way  
Oh, yeah...!!!
