

Brave As a Noun

AJJ

[Verse 1]

I could go off the deep end
I could kill all my best friends
I could follow those stylish trends
And God knows I could make amends
But I've got an angry heart
Filled with cancers and poppy tarts
If this is how you folks make art
It's fucking depressing

[Refrain]

And it's sad to know that we are not alone
And it's sad to know there's no honest way out

[Verse 2]

I'm afraid to leave the house
I'm as timid as a mouse
I'm afraid if I go out
I'll outwear my welcome
I'm not a courageous man
I don't have any big, lasting plans
I'm too cowardly to take a stand
I want to keep my nose clean

[Refrain]

And it's sad to know that we're not alone in this
And it's sad to know there's no honest way out

[Outro]

In this life we lead, we could conquer everything
If we could just get the braves to get out of bed in the morning
