Everybody make noise right nowOne LoveOne love - this is the way we found  
One love - even though they'll let you down  
One love - nobody's perfect now  
One love - don't let that hold you down (break it down)  
One love - let's stick together now  
One love - we got to stand our ground  
One love - it's easy to believe in  
One love - believe in you and me

One LoveCan anybody help me I'm outta plans  
Guess i left my world in somebody's hands (Here we go)

But everyone gets weak  
Someone to rely on  
That's what I really need

One love - nobody's perfect now  
One love - don't let that hold you down (break it down)  
One love - let's stick together now  
One love - we got to stand our ground  
One love - it's easy to believe in  
One love - believe in you and meEverybody make noise right now
