

Waiting For Love

Avicii

Where there's a will, there's a way, kind of beautiful
And every night has its day, so magical
And if there's love in this life, there's no obstacle
That can't be defeated For every tyrant, a tear for the vulnerable
In every lost soul, the bones of a miracle
For every dreamer, a dream, we're unstoppable
With something to believe in Monday left me broken
Tuesday, I was through with hoping
Wednesday, my empty arms were open
Thursday, waiting for love, waiting for love
Thank the stars it's Friday
I'm burning like a fire gone wild on Saturday
Guess I won't be coming to church on Sunday
I'll be waiting for love, waiting for love to come around We are one of a kind, irreplaceable
How did I get so blind and so cynical?
If there's love in this life, we're unstoppable
No, we can't be defeated Monday left me broken
Tuesday, I was through with hoping
Wednesday, my empty arms were open
Thursday, waiting for love, waiting for love
Thank the stars it's Friday
I'm burning like a fire gone wild on Saturday
Guess I won't be coming to church on Sunday
I'll be waiting for love, waiting for love to come around
