

# Blame (feat. Elliphant)

Zeds Dead, Diplo & Michael Sparks

It's just another Monday  
Boy, don't make me ill  
Life conscious, be fun, babe  
Yeah, really that's your deal  
So you stay in here then  
I won't be home too late  
Addicted to pleasure  
Gone two nights and a day  
Yes, I'm too hot to handle it  
I'm too hot to handle  
I'm too hot to handle it  
Yes, I'm too hot to handle  
Oh, blame it on the moonlight  
Just blame it on my youth  
I blame it on the starsign  
That's our only truth  
I can wait, but not forever  
Shut up, but not for long  
A good life, but not forever  
Come close my eyes  
I love until I hate it  
I breathe until I burn  
My mantra wants me facing  
I walk through love  
Oh, hey  
Yes, I'm too hot to handle it  
I'm too hot to handle  
I'm too hot to handle it  
Yes, I'm too hot to handle  
Oh, blame it on the moonlight  
Just blame it on my youth  
I blame it on the starsign  
That's our only truth  
That's our only truth  
That's our only truth  
That's our only truth  
That's our only truth  
(Truth, truth, truth...)  
Oh, blame it on the moonlight  
Just blame it on my youth  
I blame it on the starsign  
Blame it on the moonlight, blame it on my youth

Blame it on the starsign, that's our only truth  
Blame it on the moonlight, blame it on my youth  
Blame it on the starsign, starsign  
(end)
