

These Boots Are Made for Walkin'

Olivia Holt

[Verse 1]

You keep saying you've got something for me
Something you call love, but comes next
You've been texting girls you shouldn't been texted
And now, someone else is getting all your best

[Chorus]

These boots are made for walkin'
And that's just what there'll do
One of these days these boots are gonna walk all over you

[Verse 2]

You keep lying when you outta be truthin'
You keep loosing when you outta know bet
(outta know bet)
You keep saying, when you outta be changing
But, now, what's right is right
And you ain't been right, yet

[Chorus]

These boots are made for walkin'
And that's just what there'll do
One of these days these boots are gonna walk all over you

[Refrain]

Are ya ready boots?
Then, start walkin'
(start walkin', start walkin')

Are ya ready boots?
(Then, start walkin', start walkin')

[Verse 3]

You keep chattin' her when you shouldn't chattin' (blah, blah, blah)
You keep thinking that you'll never get burnt (Aww)
I just found me a brand new pair of boots, yeah!
And now I know you just ain't gonna learn

[Chorus]

These boots are made for walkin' (walkin'!)

And that's just what there'll do (what there'll do!)
One of these days these boots are gonna walk all over you

[Refrain]
Are ya ready boots?

Then start walkin'
(Start walkin', start walkin')

Are ya ready boots?
(Start walkin', start walkin')
