

# Lonely

## Noah Cyrus

I'm slowly killin' myself  
I'm trying so hard at the back of the shelf  
It's just the same everyday I'm writtin' these songs that will never get played  
I get told what's wrong and what's right  
I don't have a romantic life  
And everyone's dying  
So I keep on trying to make them proud before they're gone Can someone help me?  
Ah, please, someone help me  
I don't care, anyone, anything  
'Cause I'm so sick of being so lonely  
Miss all my family  
Well, I don't care, anyone, anything  
'Cause I'm so sick of being so lonely  
I'm spending more than I earn  
Drink all the time to forget I'm not hurt  
'Cause I go to parties sometimes  
And I'll kiss a boy and pretend for the night  
'Cause I don't know much about me  
I'm still ashamed of who I used to be  
So I try way too hard  
But I still miss the mark to fit in, fit in, woah  
Help me (Me)  
Ah, please, someone help me  
I don't care, anyone, anything  
'Cause I'm so sick of being so lonely  
I miss all my family  
Well, I don't care, anyone, anything  
'Cause I'm so sick of being so lonely I don't care, anyone, anything  
'Cause I'm so sick of being so lonely
