

Your Love Is Like Las Vegas

The Thrills

Dont you know
You can't rewrite
Your own history
Cigarette Barbie Your love is like a city I visited
Your love is like a city that burnt me good
Oh Las Vegas,
I could only afford one weekend Don't you know
You're like Pete Best
Bitter after all these years
Just let it go
Your love is like a city I visited
Your love is like a city that burnt me good
Oh Las Vegas,
I could only afford one weekend
