

# Not Afraid

Eminem

Yeah, It's been a ride...  
I guess I had to go to that place to get to this one  
Now some of you might still be in that place  
If you're trying to get out, just follow me  
I'll get you there You can try and read my lyrics off of this paper before I lay 'em  
But you won't take this thing out these words before I say 'em  
Cause ain't no way I'm let you stop me from causing mayhem  
When I say 'em or do something I do it, I don't give a damn  
What you think, I'm doing this for me, so fuck the world  
Feed it beans, it's gassed up, if a thing's stopping me  
I'mma be what I set out to be, without a doubt undoubtedly  
And all those who look down on me I'm tearing down your balcony  
No if ands or buts don't try to ask him why or how can he  
From Infinite down to the last Relapse album he's still shit'n  
Whether he's on salary, paid hourly  
Until he bows out or he shit's his bowels out of him  
Whichever comes first, for better or worse  
He's married to the game, like a fuck you for Christmas  
His gift is a curse, forget the earth he's got the urge  
To pull his dick from the dirt and fuck the whole universe  
I'm not afraid to take a stand  
Everybody come take my hand  
We'll walk this road together, through the storm  
Whatever weather, cold or warm  
Just let you know that, you're not alone  
Holla if you feel that you've been down the same road Ok quit playin' with the scissors and shit,  
and cut the crap  
I shouldn't have to rhyme these words in the rhythm for you to know it's a rap  
You said you was king, you lied through your teeth  
For that fuck your fillings, instead of getting crowned you're getting capped  
And to the fans, I'll never let you down again, I'm back  
I promise to never go back on that promise, in fact  
Let's be honest, that last Relapse CD was "ehhhh"  
Perhaps I ran them accents into the ground  
Relax, I ain't going back to that now  
All I'm tryna say is get back, click-clack BLAOW  
Cause I ain't playin' around  
There's a game called circle and I don't know how  
I'm way too up to back down  
But I think I'm still tryna figure this crap out  
Thought I had it mapped out but I guess I didn't  
This fucking black cloud still follow's me around

But it's time to exorcise these demons  
These motherfuckers are doing jumping jacks now! I'm not afraid to take a stand  
Everybody come take my hand  
We'll walk this road together, through the storm  
Whatever weather, cold or warm  
Just let you know that, you're not alone  
Holla if you feel that you've been down the same road And I just can't keep living this way  
So starting today, I'm breaking out of this cage  
I'm standing up, Imma face my demons  
I'm manning up, Imma hold my ground  
I've had enough, now I'm so fed up  
Time to put my life back together right now It was my decision to get clean, I did it for me  
Admittedly I probably did it subliminally for you  
So I could come back a brand new me, you helped see me through  
And don't even realise what you did, believe me you  
I been through the ringer, but they can do little to the middle finger  
I think I got a tear in my eye, I feel like the king of  
My world, haters can make like bees with no stingers, and drop dead  
No more beef flingers, no more drama from now on, I promise  
To focus only on handling my responsibility's as a father  
So I solemnly swear to always treat this roof like my daughters and raise it  
You couldn't lift a single shingle on it  
Cause the way I feel, I'm strong enough to go to the club  
Or the corner pub and lift the whole liquor counter up  
Cause I'm raising the bar, I shoot for the moon  
But I'm too busy gazing at stars, I feel amazed and I'm not afraid to take a stand  
Everybody come take my hand  
We'll walk this road together, through the storm  
Whatever weather, cold or warm  
Just let you know that, you're not alone  
Holla if you feel that you've been down the same road
