It's Gone

[Bob Moses](#)

The thoughts in my mind go on and on
And I don't know if it's right or if it's wrong
And I don't know if what I can feel is real
But I can tell you the fear is gone it's gone

The thoughts in my mind go on and on
And I don't know if it's right or if it's wrong
And I don't know if what I can feel is real
But I can tell you the fear is gone it's gone

The thoughts in my mind go on and on
And I don't know if it's right or if it's wrong
And I don't know if what I can feel is real
But I can tell you the fear is gone it's gone

The thoughts in my mind go on and on
And I don't know if it's right or if it's wrong
And I don't know if what I can feel is real
But I can tell you the fear is gone it's gone

The thoughts in my mind go on and on
And I don't know if it's right or if it's wrong
And I don't know if what I can feel is real
But I can tell you the fear is gone it's gone

The thoughts in my mind go on and on
And I don't know if it's right or if it's wrong
And I don't know if what I can feel is real
But I can tell you the fear is gone it's gone
