

# East At Easter

## Simple Minds

We go walking, hand in hand  
All across the land it's East At Easter  
People walking hand in hand  
When ships are moving south it will be East at Easter  
We will rock you, rock you little child  
We will rock you, rock you little child  
All across the land it's East At Easter  
All across the land it's East At Easter

Things will lighten up the sky, East At Easter  
Things will lighten up the sky, East At Easter  
We'll go walking hand in hand  
'Cause all across the land it will be East At Easter  
Ah, we will rock you, rock you little child  
We will rock you, rock you little child  
All across the land it's East At Easter  
When ships go moving south it will be East At Easter

They're gonna lighten up the sky  
They're gonna lighten up the sky  
They're gonna lighten up the sky  
East At Easter

Ah, we'll go walking hand in hand  
We'll go walking hand in hand, yes  
We will rock you, rock you little child  
We will rock you, rock you  
Rock you little child  
They're gonna lighten up the sky  
When they lighten up the sky it will be East At Easter  
We will rock you, rock you, rock you
