

I Can Do Better

Avril Lavigne

I couldn't give a damn what you say to me I don't really care what you think of me
'Cause either way you're gonna think what you believe
There's nothing you could say that would hurt me
I'm better off without you anyway I thought it would be hard but I'm ok
I don't need you if you're gonna be that way
'Cause with me it's all or nothing
I'm sick of this shit Don't deny
You're a waste of time
I'm sick of it shit
Don't ask why
I hate you now
So go away from me
You're gone
So long
I can do better
I can do better
Hey! Hey you!
I found myself again
That's why
You're gone
I can do better I can do better
You're so full of shit
I can't stand the way you have to just uncomprehend
I don't think that she can handle it
I'm way over - over it
I will drink as much Limoncello as I can
And I'll do it again and again
I don't really care what you have to say 'Cause you know - you know you're nothing
(I'm so sick)
I'm sick of your shit
Don't deny
You're a waste of time
I'm sick of your shit
Don't ask why
I hate you now So go away from me
You're gone
So long
I can do better
I can do better
Hey!
Hey you!
I found myself again

That's why
You're gone
I can do better
I can do better
What'd you say
I told you so
You know that
Cause I always know
Get outta my face
Hey, Hey! You're not my taste
Hey, Hey!
I'm so
Sick of you
You're on my nerves
I want to puke
Get outta my face
Hey, Hey! You're not my taste
Hey, Hey!
Hey, Hey!
Hey, Hey!
I hate you now
So go away from me
You're gone
So long
I can do better
I can do better
Hey!
Hey you!
I found myself again
That's why
You're gone
I can do better
I can do better
I hate you now
So go away from me
You're gone
So long (So long)
I can do better
I can do better
Hey! (Hey!)
Hey you! (Hey you!)
I found myself again
That's why (That's why)
You're gone (You're gone)
I can do better
I can do better
