

# A Hand For Mrs. Claus

**Idina Menzel & Ariana Grande**

Every December, we always remember  
To celebrate the fella in the suit  
We see the promos for?reindeer?and his glow?nose  
Believe me, I think Rudolph's nose?is cute  
Now I'm a fan of Frosty, I go ga-ga for The Grinch  
But beneath the hype, are they the type you'd turn to in a pinch?  
There's someone more deserving of applause  
How 'bout a hand for Mrs. Claus  
Mm  
I'm not complaining, I'm sure it's very draining  
Pulling off a Christmas Eve world tour  
My point in this is it's his marvelous missus  
Who gets it done the other three-six-four  
Who's really checkin' all those lists  
And fillin' all them shelves  
She's a mister multitasker who works faster than the elves  
Who keeps the North Pole hot 'till winter thaws  
The answer's clear, it's Mrs. Claus  
MmShe reads every Christmas letter  
Throws on a Christmas sweater  
Better than old Santa everyday  
She runs the operation  
With no appreciation  
Send a little Christmas love her way  
Oh, oh yeah  
She just gets no respect  
She works so hardNow I'll sing a fa-la-la  
And I'll shout a ho-ho-ho  
But I'm bouncin' out this ballad for the gal who runs the show  
Join me in this very worthy cause  
How 'bout a hand for (Oh, oh, yeah)  
Let's make it grand for (Ooh, ooh, ooh, ooh)  
Everybody stand for Mrs. Claus
