Queen B! You like how i do that thing

You might be the one for me

cuz I be Queen B the King

you like how i do that thing

Yeah smack it squeeze it

touch it tease it Go ahead get up on it

dont be scared get up on it

take it up your jeans get up on it

baby make me get up on it

Yeah!

before i had a pot to piss in

before i had a drop and my rocks was glistening

before i hopped at the phantom with suicide doors

with 2 to 5 ???

still a boss (boss) and u can tell from the swag

bag the females with chanel on the bag

and the haters cant stand the loss

still tryin to figure what the lambo cost

so you cant blame your with for bouncing

who you know make bangers like me

change cars everytime you change your nikes

i dont care if your chain is icey

you should try and tame your wifey

your girl go dumb like my name is ?

now your goons wanna put me in a tomb

cuz as soon as i walk in the room she says

You like how i do that thing

You might be the one for me

cuz I be Queen B the King

you like how i do that thing

Yeah smack it squeeze it

touch it tease it Go ahead get up on it

dont be scared get up on it

take it up your jeans get up on it

baby make me get up on it This is murder!

Pull up in the lambo ridin with Lil Jon
Off a lil marijuana and a lil don
the doors go up our heads go down
watch them get MIA like ?
we in the VIP buying the bars out
when it's sober we bringin the hot cars out
every nigga from blackwall got a coop
got a chain and a glock and he know how to shoot (Brah!)
we the niggas that just dont stop make the shit pop
from the block to the yacht we poppin that ?
twistin caps of patron your girl done we bring her home
you know she a freak she did the same thing with snoop last week
if she hot i gotta let her know watch out mams about to blow
What! You like how i do that thing
You might be the one for me
cuz I be Queen B the King
you like how i do that thing
Yeah smack it squeeze it
touch it tease it Go ahead get up on it
dont be scared get up on it
take it up your jeans get up on it
baby make me get up on it They call me mams mister amaze a chick
cuz i hit her with the greatest dick
now her sister wanna play with it
and i twist her but i wont save a chick (haha)
she calls me her favorite
she drinks every drop and she savours it
she dont wanna leave she want me to stay with it
and alot of dudes mad wishin they hit it
uhh i dont even have to pay for it
im postin with Lil Jon in the ?? (Yeah)
and the bounce is crazy
work with more rocks than a mountain baby
rep for PL click so official
so im never gonna sweat a female
two shots of grey goose to the head i take her to the bed
and this is what she said You like how i do that thing
You might be the one for me
cuz I be Queen B the King
you like how i do that thing
Yeah smack it squeeze it
touch it tease it Go ahead get up on it
dont be scared get up on it
take it up your jeans get up on it
baby make me get up on it You like how i do that thing
You might be the one for me
cuz I be Queen B the King
you like how i do that thing
Yeah smack it squeeze it

touch it tease itGo ahead get up on it
dont be scared get up on it
