

# comethru

## Jeremy Zucker

I might lose my mind  
Waking when the sun's down  
Riding all these highs  
Waiting for the comedown  
Walk these streets with me  
I'm doing decently  
Just glad that I can breathe, yeah I'm trying to realise  
It's alright to not be fine on your own Now I'm shaking, drinking all this coffee  
These last few weeks have been exhausting  
I'm lost in my imagination  
And there's one thing that I need from you  
Can you come through, through  
Through, yeah  
And there's one thing that I need from you  
Can you come through?  
Ain't got much to do  
Too old for my hometown  
Went to bed at noon  
Couldn't put my phone down  
Scrolling patiently  
It's all the same to me  
Just faces on a screen, yeah I'm trying to realise  
It's alright to not be fine on your own Now I'm shaking, drinking all this coffee  
These last few weeks have been exhausting  
I'm lost in my imagination  
And there's one thing that I need from you  
Can you come through, through  
Through, yeah  
And there's one thing that I need from you  
Can you come  
Through, through  
Through, yeah  
And there's one thing that I need from you  
Can you come through?
