Normani & 6LACK

[Verse 1: Normani]

Thank God for the weekend
Imma go out with my friends, I rather let the liquor sinking
Then the parts of you that I should not be thinking
When I'm with someone else, it's I'm feeling like I'm cheating
I just might go off the deep end
When I've had too much [?] when you start to creep in
Know that everyone is sick of all my reasons I-
I let you come and go like seasons[Pre-Chorus: Normani]

First I blame you then I want you
Fuck I hate you then I love you
I can't help myself, no
When i have you, wanna leave you
When you go, that's when i need you
I can't help myself, no

[Chorus: Normani]

You come in waves, waves, waves
Every hour, every day, day, day
You come in waves, babe[Verse 2: Normani]

I keep on going through the motions
When we ended long ago, I should be numb to these emotions
But you flood my memory just like an ocean and I was drowning in devotion[Pre-Chorus:
Normani]

First I blame you then I want you
Fuck I hate you then I love you
I can't help myself, no
When i have you, wanna leave you
