One Vision

Queen

One man, one goal One mission One heart, one soul Just one solution One flash of light One God, one visionOne flesh, one bone One true religion One voice, one hope One real decision Gimme one visionNo wrong, no right I'm gonna tell you there's no black and no white No blood, no stain All we need is one world wide vision One flesh one bone One true religion One race one hope One real decisionI had a dream when I was young A dream of sweet illusion A glimpse of hope and unity And visions of one sweet unionBut a cold wind blows And a dark rain falls And in my heart it shows Look what they've done to my dreamsSo give me your hands Give me your hearts I'm ready There's only one direction One world, one nation One vision No hate, no fight Just excitation All through the night It's a celebrationOne visionOne flesh, one bone One true religion One voice, one hope One real decisionGimme one light Gimme one hope Just gimme One man, one man One bar, one night One day hey hey Just gimme, gimme Gimme, gimme
