

Knock-Down Drag-Out

Weezer

[Verse 1]

Any day now, you'll call me up on the phone
Say you love me more than you ever did before

[Chorus]

It's all that I can do right now
I'll make it up to you somehow
And meet you on the other side of hope

[Verse 2]

Take no prisoners here in this knock-down drag-out war
That we're waging on each other forever more

[Chorus]

It's all that I can do right now
I'll make it up to you somehow
And meet you on the other side of hope

[Bridge]

Say you love me now

[Guitar Solo]

[Chorus]

It's all that I can do right now
I'll make it up to you somehow
And meet you on the other side of hope

[Outro]

Take no prisoners here in this knock-down drag-out war
That we're waging on each other forever more
That we're waging on each other forever more
