

My Dilemma

Selena Gomez & The Scene

You make me so upset sometimes
I feel like I could lose my mind
The conversation goes nowhere
'Cause, you're never gonna take me there And I know, what I know
And I know you're no good for me
Yeah, I know, what I know
And I know it's not meant to be Here's my dilemma
One half of me wants you
And the other half wants to forget
My, my, my dilemma
From the moment I met you
I just can't get you out of my head
And I tell myself to run from you
But I find myself attracted to my dilemma
My dilemma, it's you, it's you Your eyes have told a thousand lies
But I believe them when they look in mine
I heard the rumors, but you won't come clean
I guess I'm hoping it's because of me And I know, what I know
And I know you're no good for me
Yeah, I know, what I know
And I know it's not meant to be Here's my dilemma
One half of me wants you
And the other half wants to forget
My, my, my dilemma
From the moment I met you
I just can't get you out of my head
And I tell myself to run from you
But I find myself attracted to my dilemma
My dilemma, it's you, it's you, oh I could live without you
Your smile, your eyes
The way you make me feel inside
I could live without you
But I don't wanna, I don't wanna, oh
Oh, you make me so upset sometimes Here's my dilemma
One half of me wants you (oh)
And the other half wants to forget
My, my, my dilemma
From the moment I met you
I just can't get you out of my head (get you out of my) And I tell myself to run from you
But I find myself attracted to my dilemma
My dilemma, it's you, it's you It's you, it's you
It's you, it's you

It's you, it's you (it's you)

It's you, it's you, it's you

My, my, my dilemma
