

House Work (feat. Mike Dunn & MNEK)

Jax Jones

I call it house work
'Cause it's life workImma throw shapes
Feelin' the base to my feet hurtI call it house work
'Cause it's life workBut I'm gon' throw shade if I don't get paid for this house workI call it house
work
'Cause it's life workImma throw shapes
Feelin' the base to my feet hurtImma throw shapes
Imma throw shapesI call it house work
'Cause it's life work
Imma throw shapes
Feelin' the base to my feet hurtI call it house work
'Cause it's life workBut I'm gon' throw shade if I don't get paid for this house workI call it house
work
'Cause it's life workImma throw shapes
Feelin' the base to my feet hurtI call it house work
'Cause it's life workWould you come along
Oh with my friends
And to leave I'm working
Every weekendHouse work
Life work
Imma throw shapes
Would you come along
Oh with my friends
And to leave I'm working
Every weekendHouse work
Life work
Imma throw shapesI call it house work
'Cause it's life workImma throw shapes
Feelin' the base to my feet hurtI call it house work
'Cause it's life workBut I'm gon' throw shade if I don't get paid for this house workI call it house
work
'Cause it's life workImma throw shapes
Feelin' the base to my feet hurtI call it house work
'Cause it's life workBut I'm gon' throw shade if I don't get paid for this house workWould you
come along
With my friends (whatcha, whatcha gon' do?)
And to leave I'm working
Every weekendHouse work
Life workImma throw shapesI call it house work
'Cause it's life workBut I'm gon' throw shade if I don't get paid for this house work
