

Marry Me

Jason Derulo

105 is the number that comes to my head
When I think of all the years I wanna be with you
Wake up every morning with you in my bed
That's precisely what I plan to do And you know one of these days when I get my money right
Buy you everything and show you all the finer things in life
Will forever be enough, so there ain't no need to rush
But one day, I won't be able to ask you loud enough I'll say will you marry me
I swear that I will mean it
I'll say will you marry me How many girls in the world can make me feel like this?
Baby I don't ever plan to find out
The more I look, the more I find the reasons why
You're the love of my life
You know one of these days when I get my money right
Buy you everything and show you all the finer things in life
Will forever be enough, so there ain't no need to rush
But one day, I won't be able to ask you loud enough I'll say will you marry me
I swear that I will mean it
I'll say will you marry me And if I lost everything
In my heart it means nothing
'Cause I have you
Girl, I have you
To get right down on bended knee
Nothing else would ever be better, better
That day when... I'll say, "Will you marry me?"
I swear that I will mean it
I'll say, "Will you marry me?"
I'll say, "Will you marry me?"
(I'll get down on one knee)
I swear that I will mean it I'll say, "Will you marry me?"
Got me singing
Ooh whoa ooh oh Got me singing
Ooh whoa ooh oh
Would you marry me, baby?
Ooh whoa ooh oh
Ooh whoa ooh oh
Ooh whoa ooh oh
A hundred and five is the number that comes to my head
When I think of all the years I wanna be with you
Wake up every morning with you in my bed
That's precisely what I plan to do, yeah.
