

# The Love I Saw In You Was Just a Mirage

## Smokey Robinson & The Miracles

[Verse 1]

There you were, beautiful  
The promise of love was written on your face  
You led me on with untrue kisses  
Oh you held me captive in your false embrace

[Chorus]

Quicker than I could bat an eye  
Seems you were telling me goodbye  
Oh-oh just a minute ago your love was here  
All of a sudden it seemed to disappear  
Sweetness was only heartache's camouflage  
The love I saw in you was just a mirage

[Verse 2]

We used to meet in romantic places  
Oh you gave the illusion that your love was real  
Now all that's left are lipstick traces  
From the kisses you only pretended to feel

[Chorus]

And now our meetings you avoid  
And so my world you have destroyed  
Oh-oh just a minute ago your love was here  
Oh baby all of a sudden it seemed to disappear  
Yeah the way you wrecked my life was like sabotage  
The love I saw in you was just a mirage

[Chorus]

Oh yeah you only filled me with despair  
By showing love that wasn't there  
Oh just like the desert shows a thirsty man  
A green oasis where there's only sand  
You lured me into something I should have dodged  
Oh the love I saw in you was just a mirage

[Chorus]

Whooh yeah  
Just like the desert shows a thirsty man  
A green oasis where there's only sand

Ooh ooh ooh you lured me into something I should have dodged
