

# Invisible

Taylor Swift

[Verse 1]

She can't see the way your eyes  
Light up when you smile  
She'll never notice how you stop and stare  
Whenever she walks by

[Pre-Chorus]

And you can't see me wanting you the way you want her  
But you are everything to me

[Chorus]

I just want to show you  
She don't even know you  
She's never going to love you like I want to  
And you just see right through me  
But if you only knew me  
We could be a beautiful  
Miracle  
Unbelievable  
Instead of just invisible

[Verse 2]

There's a fire inside of you  
That can't help but shine through  
She's never going to see the light  
No matter what you do

[Pre-Chorus]

And all I think about is how to make you think of me  
And everything that we could be

[Chorus]

I just want to show you  
She don't even know you  
She's never going to love you like I want to  
And you just see right through me  
If you only knew me  
We could be a beautiful  
Miracle  
Unbelievable

Instead of just invisible

[Bridge]

Like shadows in a faded light

Oh, we're invisible

I just want to open your eyes

And make you realize

[Chorus - Variation]

I just want to show you

She don't even know you

Baby, let me love you

Let me want you

You just see right through me

But if you only knew me

We could be a beautiful

Miracle

Unbelievable

Instead of just invisible

[Outro]

She can't see the way your eyes

Light up when you smile
