

Destiny's Child

Jacquees

I'm usually not use to this
I just had to tell you what it is
So don't worry bout who I'm running with
When we get older you gone have all my kids.
Never had a love like you before and I mean it
You're the one who's in my dreams
I just want her badder than Beyoncé,
Not wilding out at parties,
Don't like girls who like me. I'm fucking with you tonight
Even if it takes all night
I'm fucking with you tonight
Even if it takes all night
I'm fucking with you tonight
Even if it takes all night
I'm fucking with you tonight
Even if it takes all night shawty
Shawty, shawty, shawty
Shawty, shawty, shawty
Shawty, shawty, shawty
Shawty, shawty, shawty If you were mine, I'd swim ocean wide just to be by your side.
Girl, I'm serious
And there's no need to flex
Girl, I'll put you up next
I want more than your sex
Girl, I'm serious
I don't want Beyoncé
And I don't want Michelle
You know who you are
You're my superstar
And she sees more than a star in me
Oh yeaaaa
I'm fucking with you tonight
Even if it takes all night
I'm fucking with you tonight
Even if it takes all night
I'm fucking with you tonight
Even if it takes all night
I'm fucking with you tonight
Even if it takes all night shawty Shawty, shawty, shawty
Shawty, shawty, shawty
Shawty, shawty, shawty
Shawty, shawty, shawty Shawty, shawty, shawty

Shawty, shawty, shawty
Shawty, shawty, shawty
Shawty, shawty, shawty
