

# Under the Waves

## Pendulum

[Verse]

I lie still as the water  
But my visions are broken  
Head caught in the tide as  
Cruel as the ocean  
Dreams are made in the distance  
I will not be among them  
The silence is killing me  
And I can hardly touch the ground

[Chorus]

I am deep in a river  
Waves above my head  
Held with no spirit  
We descend  
We reach the end

[Chorus]

I am deep in a river  
Waves above my head  
Held with no spirit  
We descend  
We reach the end

[Chorus]

I am deep in a river  
Waves above my head  
Held with no spirit  
We descend  
We reach the end

We descend  
We reach the end
