Where You Belong

The Weeknd

Yeah, yeah, yeah
Oh yeah, oh yeah, oh yeah
Yeah, yeah, yeah
Oh yeah, oh yeah, oh yeah
Yeah, yeah, yeah
Oh yeah, oh yeah, oh yeah
Yeah, yeah, yeah
Oh yeah, oh yeah, oh yeahI feel the blood rushin' through a to body
You see the scars painted over my skin
I'm always numb to the topic of lovin'
I fell in love with the subject of sinI don't have to remind you, ohh ohh
it's my need to confine you, ohh ohh
I see your face every time I'm with somebody else
Can't you see that I want you? (Put your feelings behind you)
I don't have to remind you (don't have to remind you) ohh ohh
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belongWhere you belong, where you belong
I'm in control, when you give me your body, yeah
I feel our souls burnin' up when I'm, inside of you and I
And I'ma leave a mark, just to remind you, where you belong, babyGive me your all, scream as loud as you want
I don't have to remind you, ohh ohh
it's my need to confine you, ohh ohh
I see your face every time I'm with somebody else
Can't you see that I want you? (Put your feelings behind you)
I don't have to remind you ohh ohh (I don't have to remind you)
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
Where you belong, where you belong
