

For a Boy

RaeLynn

For a boy your heart is pretty see through
For a boy you sure let your guard down
When you know you want it
Wont you say it and baby right now you're looking at me
The way you say my name
I know you ain't playing games For a boy you're good at sayin sorry
For a boy I can sure feel your heart
It's like a freight train coming at me
I'm a cross the booth on the edge of my seat
You don't make me wait
You say what you came to say
Go on get it out boy say
I'm the only one that makes you this crazy
Come on and tell me how boy
How I'm the only thing you thinking about lately
But what you don' know, what you don't know
Is what a girl like me would do for a boy like you For a girl I'm pretty cool, calm, and collected
For a girl who was getting more than she expected
From an ex love but here I am
You're putting your heart in the palm of my hand
I'm trying to act really cool
But inside I'm a lovesick fool Go on get it out boy say
I'm the only one that makes you this crazy
Come on and tell me how boy
How I'm the only thing you thinking about lately
But what you don' know, what you don't know
Is what a girl like me would do for a boy like you
For a boy like you
Go on get it out boy say
I'm the only one that makes you this crazy
Come on and tell me how boy
How I'm the only thing you thinking about lately
But what you don't know, what you don't know
Is what a girl like me would do for a boy like
Go on say it all boy
Go on a put every last feeling out on the table
Come on it's last call boy
Before the night escapes this late
But what you don' know, what you don't know
Is what a girl like me would do for a boy like you
For a boy like you
