

# Buzz the Jerk

## The Pretty Things

[Verse 1]

You've got that buzz, know how to jerk  
You've seen it done, now make it work  
You move around, then start to jerk  
Jerk!

[Verse 2]

You buzz around, but you don't sting  
You take a chance, don't lose a thing  
You move on out, then shake around  
Now jerk!

[Bridge]

[Verse 3]

You buzz around, but you don't sting  
You take a chance, can't lose a thing  
You move on down, you start to swing  
Oh, buzz jerk honey
