

Count Me In

Leeland

You gave all You had
I didn't choose You, You chose me first
Even when I turned my back
You still gave Your love

It's the only thing I wanna have
No greater gift than
The man to lay down His life
How could I miss this
I'm not about to pass it up

Count me in
I'm amazed this love is for me, Lord
Count me in
I'm amazed this love is for me, Lord

I'm looking at these plans you have
For me, they're plans of hope and peace
Much bigger than the ones I had
I tried to follow mine, I was going nowhere fast
Your love makes me like a David with a stone and sling
Nothing else could bring my life so much meaning

Count me in
I'm amazed this love is for me, Lord
Count me in
I'm amazed this love is for me, Lord

I can't believe it
I can't believe it
I can't believe it

Count me in
Count me in
Count me in

You can count me in
