

# Dangerous

## Big Freedia

Oh, just a little bit dangerous  
You pack your bag, you take control  
You're moving into my heart and into my soul  
Get out of my way, get out of my sight  
I won't be walking on thin ice to get through the night  
Hey, where's your work? What's your game?  
I know your business but I don't know your name  
Hold on tight, you know she's a little bit dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
You turn around, so hot and dry  
You're hiding under a halo, your mouth is alive  
Get out of my way, get out of my sight  
I'm not attracted to go-go deeper tonight  
Hey, what's your word? What's your game?  
I know your business but I don't know your name  
Hold on tight, you know she's a little bit dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
Oh, just a little bit dangerous  
Hey, hey, hey, what's your word? What's your game?  
I know your business but I don't know your name  
Hold on tight, you know she's a little bit dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
She's armed, she's extremely dangerous  
She's got what it takes to make ends meet  
The eyes of a lover that hit like heat  
You know she's a little bit dangerous  
Oh, just a little bit dangerous  
S'agapo  
Hey, what's your word? What's your game?  
I don't know your name  
Hey you, just a little bit dangerous

I don't know your name
