

Distraction

Kehlani

Do you, do you, do you wanna be....
Do me a favor, pick me up, take me out later
Don't worry about no paper,
cause I got much stacked up for nights like this
My life can get crazy, I deal with shit on the daily
But baby I'm thinking maybe,
we could agree to work it out like this I need you (you, oh) to give me your time
(give me your time)
I need you (you, oh) to not wanna be mine
Are you down to be a distraction baby
But don't distract me
Let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Yeah, yeah
Are you down to be a distraction baby
But don't distract me
Let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
I need you to respect it, yeah, yeah, yeah, yeah
Sometimes this shit get me stressing
So I need you with me
To keep me right and keep me up all night
We can get faded
This life can make you so jaded
So we can stay shaded
Just to us and try to get it right
I need you (you, oh) to give me your time
(give me your time)
I need you (you, oh) to not wanna be mine Are you down to be a distraction baby
But don't distract me
Let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Yeah, yeah
Are you down to be a distraction baby
But don't distract me
Let me ask you baby

Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be I can't say I give my all
But tonight, I'd risk it all
Woah, woah, woah
Are you down to be....Are you down to be a distraction baby
But don't distract me
Let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
Yeah, yeah Are you down to be a distraction baby
But don't distract me
Let me ask you baby
Do you, do you, do you wanna be
A distraction baby
Do you, do you, do you wanna be
I wanna Know, I wanna know
