

Who Am I?

Bazzi

[Verse 1]

I can't go on Instagram no more
That shit make me wanna die
I can't see anotherâ€™...photograph
Paintin'â€™...the perfect lie,â€™...yeah
I'm so tired of feelin' paper-thin
Likeâ€™...I could tear at anytime
Trapped inside of the brain I'm in
Please get me out of my mind

[Pre-Chorus]

Can anybody stop this train?
Take me back into my younger days
I was happy with the simple things
Who am I anymore?

[Chorus]

Who am I anymore?
'Cause really, I don't know
All I wanted was to be something
To be something
But right now (But right now), I don't know (Know)
Who I am anymore
Don't have a fuckin' clue
I was hopin' I could be something
I could be something
But right now (But right now), I don't know (Know)
Yeah, yeah

[Verse 2]

Take a look in the mirror, I don't know who I've become
Please take me back to the days when I was young
I ain't had no purpose, only thing I had was fun
Now the only thing I feel inside of me is numb
I can't spend another second on my phone
I can't focus on your life, homie, tryna live my own, yeah
Yeah, I got some issues, tryna fight them all alone
But if I'm in here by myself, this house will never be a home

[Pre-Chorus]

(Stop this train) Stop this train
(Younger days) Take me to my younger days
(Simple things) Pride's on the floor

[Chorus]

Who am I anymore? (Who am I? Yeah)
'Cause really, I don't know (Really, baby, I don't know)
All I wanted was to be something
To be something
But right now (But right now), I don't know (Know)
Who I am anymore?
Don't have a fuckin' clue (I don't have a clue)
I was hopin' I could be something
I could be something
But right now (But right now), I don't know (Know)
