

# Who's Got Your Love

## Cheat Codes & Daniel Blume

I been thinking about you lately  
You been on my mind  
On my mind, yeah Do you think about me baby  
Maybe once or twice  
Once or twice  
Tell me Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
I been thinking about you lately  
You been on my mind  
On my mind, yeah  
Do you think about me baby  
Maybe once or twice  
Once or twice  
Tell me Do you ever think about  
Hitting up my phone some night?  
Just to talk, talk, talk  
One more time, yeah  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh... Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Who's got your love tonight?  
Got, got your love tonight? Ooh-ooh...  
Now I'm lost in  
All my feelings  
In the vertigo  
Am I dreaming?  
Now I'm lost in  
All my feelings  
In the vertigo Am I dreaming about you?  
Dreaming about you

Dreaming about you  
Dreaming about you
